

Does your child just need a little extra help to get good grades?

Do you want to have a peaceful evening with finished homework by the end of the day?

Are YOU tired of having to 'quiz' your student for spelling or Bible memory verse tests?

Then look no further. You need the.....

CVCS Academic Assistance Program

Mrs. Johnson (formerly a CVCS third grade teacher) is offering the opportunity to students in grades 1st-6th to attend a fee-based Academic Assistance Program. **Students will be able to work on homework, reports, and study for tests** in a structured, positive learning environment for **2 hours**.

Students will receive the benefit of...

- Instruction and assistance with homework from a California State credentialed teacher**
- Assistance in preparing for tests/exams**
- Assistance in completing student reports**
- Accessibility to computers in the classroom**
- Quiet classroom environment with additional teaching resources**

Program offered **Tuesday and/or Thursday from 3:00-5:00pm** in room #233

Cost of the program is **\$100 per month** for Tuesday or Thursday sessions or **\$180 per month** for Tuesday and Thursday sessions.

The Academic Assistance Program **begins October 6th, 2009**. Please fill out a registration form **before September 30th**. Registration forms are located in the CVCS business office.
